ANNUAL REPORT – ACADEMIC YEAR 2021-2022

I am happy to present the annual report for the academic year 2021-2022. Lord Jegannath College of Engineering and Technology (LJCET), has its inception from the year 2006 with a view to provide Quality Education to the young and aspiring rural students. Our motto is “To strengthen our Nation by means of providing valuable Education to the Rural Society”. The College has witnessed several developmental activities in this academic year.

The academic activities of the college for the academic year 2021-2022 began on 27/09/2021 for U.G. Second, Third and Final year Students & M.B.A & M.C.A. second year students, on 15/11/2021 for M.B.A. & M.C.A. first year Students, on 08/11/2021 for U.G. First year Students and on 07/02/2022 for M.E. first year Students. A total of 168 students were admitted for all the U.G. and P.G. disciplines.

We have conducted 10 value added courses for the enhancement of student knowledge in which 305 students got benefitted. This enabled the Students to enrich their subject competency and expertise in their desired discipline. Mentor mentee system plays a vital role in grooming the Students for a better future. Every mentor will have 10 mentees and are constantly facilitating and guiding the students to become successful. In order to see the progress in the performance of the students, we organize Student Academic class committee meetings frequently.

All the students are effectively underwent internships, field work and completed projects as a part of their curriculum. For effective learning, our Lord Jegannath College of Engineering and Technology (LJCET) has got a built up area of 27725 square meters with a Central Library and seven computer Labs, three Seminar halls, rest rooms for boys, girls and staff, and well-furnished staff cabins. All the class rooms are well furnished with bench-desks, green boards and adequate fans and lights with good ventilation.

The Library is well equipped with spacious 5000 square feet. It includes study area for Girls and Boys. The Library provides DELNET, E-books, E-journals etc. It also functions with technical facilities like Bar coding system and separate Digital Library section. Effective monitoring of exam coverage, result analysis, student attendance and syllabus covering has been achieved through the usage of ERP software.

Our Management has been encouraging the meritorious, sports excellent and economically downtrodden students by means of awarding scholarships at the time of admission in terms of fee waiving. A total of 189 Students were benefitted with management scholarships of Rs. 16,60, 000. Moreover, A total of 259 students are benefitted by various government bodies scholarships like Post metric, 7.5 % scheme, Minority scheme, BC/MBC scheme and First Graduate scheme etc. of Rs 89,42,355.

Lord Jegannath College of Engineering and Technology (LJCET) provides a platform for each and every student to showcase their talent, organizational skills and work in a team. Students gain exposures through supporting cells and clubs. Our Lord Jegannath College of Engineering and Technology (LJCET) encourages co-curricular and extra-curricular activities for holistic development of our students. More number of Students were benefitted by the guidance of competitive examinations and career counselling offered by the Institution.

In order to nurture patriotism in students mind, our LJCET celebrates Independence Day, Republic Day every year. Fresher's Day would be organized every year to welcome the first year students of both U.G and P.G. Every year a regular Motivational Speech was arranged and we invite experts as the Chief Guest and they deliver a motivational speech on the importance of Education and Self-development.

To educate the importance of YOGA for body and mind fitness, ten days (one hour on a day) YOGA program was conducted to all students. To promote and cultivate the culture and tradition, our Lord Jegannath College of Engineering and Technology (LJCET) organizes various celebrations like Saraswathi Pooja, Pongal, Diwali, Onam, Christmas and Ramjan.

The students learn about culture and tradition of the places and gain knowledge about the, I.T.companies and other working environments of Industries and important monuments of art and architecture through educational tours and Industrial visits. Students are taken to various industries and factories regularly.

Students participated in about 39 sports and cultural events. Our sports team outshined in all the games and brought laurels for their distinguished performance and proved their success. Students had won four awards and medals in this academic year for their outstanding performances in sports and cultural activities. A total of 10 extension and outreach programs were conducted in collaboration with Industries, Other College etc. A total of 7 workshops, 98 FDP and 8 seminars were conducted for the enhancement of knowledge of both students and staff members in this academic year. Alumni students, Current Students, Teachers and Employers feedbacks are collected every year, regularly, for institutional development and growth in all directions.

We have 115 Full time teachers are on roll during this academic year 2021-2022. All the faculty members were encouraged to pursue Doctoral Degree and Publish research articles in reputed journals. A total of eighty one percentage of faculty members have attended faculty development programs in various colleges and faculty members were provided with financial support for attending conferences, Workshops etc.
